Re.: Your letter from May 16, 2007; June Monthly Report (5/1/06-5/31/06)

In response to your letter we state the following:

The disbursement for Feather, Larson, and Synthorst for Fundraising activities was shown on Schedule B since it was paid with federal funds entirely. The company does not raise funds for any specifically identified federal candidate. The money received is deposited into our federal account. The Schedule H 2 was filed in error and the change is reflected in the amendment.

The description Convention is used for our annual State Party meeting, where business is conducted and discussed.

The expenditure for sound system was incurred in connection with our annual member gala; it was not conducted on behalf of a specifically identified federal candidate, but rather to collect funds for our federal and nonfederal accounts. We have changed the allocation of expenditures for this and other expenses according to the funds received method and refunded the amount over-allocated to our nonfederal account. We will submit a copy of the calculation as well as the refund check to you by mail.

The memo entries connected to the See Below: Reimbursement were entered but did not show up on the report due to a technical problem with the software. This problem has been rectified and the return amended accordingly.

Sincerely,

Doug Robertson,  
Treasurer, SCGOP
